

### Rev. Schauer Plans Vacation

On the next two Sundays, while Rev. and Mrs. U. S. Schauer of the Central Evangelical United Brethren Church are on vacation, guest ministers will conduct services. Rev. Schauer announced this week.

Kenneth Zeller, graduate student at the University of Southern California, will conduct the 11 a.m. services next Sunday. He is the son of the late Rev. Francis Zeller, a former pastor of the Central Church.

On Sunday, August 27, Rev. E. L. Weatherwax, a former pastor of the church, will occupy the pulpit, Rev. Schauer said.

The Schauers will return for services September 3.

### 'Mind' Text of Science Sermon

"Mind" will be the Sunday Bible Lesson subject in all branches of the Mother Church, the First Church of Christ, Scientists, in Boston. The Golden Text is from Daniel: "Blessed be the name of God forever and ever: for wisdom and might are His: . . . He giveth wisdom unto the wise: and knowledge to them that know understanding."

A Bible selection from Isaiah reads, "Hast thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of his understanding. . . . Even the youths shall faint and be weary, and the young men shall utterly fall: But they that wait upon the Lord shall renew their strength. . . . they shall run, and they shall not be weary; and they shall walk, and not faint."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy states, "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick, is found in the Science of divine Mind as taught and demonstrated by Christ Jesus."

### Rev. Pedersen Takes Vacation

Rev. and Mrs. Arthur Pedersen and family of the Torrance Foursquare Church left last Sunday after the services for a vacation trip to Yellowstone National Park.

The pastor and his family will be gone for about two weeks, with guest ministers conducting services during their absence.

Mrs. Martha Bell, graduate of L.I.F.E. Bible College, will have charge of the Wednesday evening services, and Robert Byers, church youth leader, will conduct the Friday evening services.

Rev. and Mrs. Clyde Pierce, both noted musicians, will conduct the morning and evening services next Sunday.

On August 27 Rev. Frances Luddington will speak.

Humility is the steppingstone to a higher recognition of Deity. The mounting sense gathers fresh forms and strange fire from the ashes of dissolving self, and drops the world.

—Mary Baker Eddy

It is good discretion not to make too much of any man at the first, because one cannot hold out in that proportion.

### County-Wide Free Chest X-Ray Program Gets Underway in Area

The county-wide chest X-Ray survey which started in this area last Monday continues through Saturday, Aug. 19. It was pointed out this week by the Junior Chamber of Commerce, cooperating with the Los Angeles County X-Ray Survey Foundation.

The latter organization is striving to attain a goal of 3,000,000 free chest X-Rays for adults 15 years of age and older by December 30. Officials point out that there are no strings

attached to the free X-Rays, inasmuch as funds for the survey stem from the annual sale of Christmas seals and also from tax monies.

Although the drive terminated yesterday at four nearby locations, there are still four units operating in this vicinity. The latter include: Television Bank, Vermont at Gardena boulevards; Harris Market, 16427 S. Western; Market Town, 15017 Crenshaw and Vaselenko's Market, 1012 Gardena. Units have been removed from

the following locations to be moved elsewhere as the county-wide drive continues: Clark's Market, 14008 S. Vermont; Harvey's Market, 16610 Crenshaw; Garden Valley Ranch Market, 16530 S. Western and Safeway, 828 Gardena. More than 20 pieces of mobile X-Ray equipment will be scattered throughout the Torrance area from the latter part of November to mid-December, officials say. It is the hope of Foundation leaders that every resident of this area will take advantage of the free chest X-Ray by the end of the year.

JOHNNY LUTHER  
... Talented Musician

### Church Slates Sunday Visit by Young Musician

Little Johnny Luther will be at the Hammetton Tract Community Church Sunday, August 20, for the entire day beginning with the Sunday School at 9:30 a.m. It was announced this week.

He will also be at the 11 a.m. service and the evening service at 7:30.

Eight-year-old Johnny plays five instruments and sings with a perfect pitch, according to those who have heard him. He has been active in the Youth for Christ movement all over California.

Johnny's father, Rev. Ted Luther, will deliver both the morning and evening sermons.

Rev. Luther is conducting a special prayer and Bible study class each Wednesday evening during the summer at the Hammetton Tract Church, 20520 Elliott avenue.

### Registration For Veterans At Camino Set

Veterans planning to attend the fall semester of El Camino College under Public Law 346, 16, or State Benefits will register for classes on September 6 from 2 to 8 p.m., according to H. J. Sheffield, director of student personnel. Registration for other students is scheduled September 11, 12 and 13.

Early veteran registration will make possible more rapid processing of papers and will speed delivery of subsistence checks by the Veterans Administration. Certificates of eligibility and entitlement for schooling must be presented at the time of registration, according to Sheffield. These may be obtained from the Veterans Administration offices at 1380 South Sepulveda boulevard or 1041 South Broadway in Los Angeles.

Placement and qualification tests required of all regular students, including veterans, are scheduled to be given at the college September 2.

**TESTS REQUIRED**

English placement test, required of all regular students who have not completed a college English course, will be given at 9 a.m., at 1 p.m., and again at 7 p.m.

Three other qualification tests will be given on the same day at 12 noon and again at 6 p.m. These include the chemistry qualification test, required of all students planning to enroll in Chemistry 1A, the mathematics qualification test, required of students planning to enroll in Mathematics A (high school algebra), and the business qualification test, required of students planning to enroll in office machines, accounting, or business mathematics. Each test requires approximately four hours.

College classes will begin September 14.
